General announcement guidelines/script:

The NYC Deaf Access Committee is looking for more people to do service - the committee helps make in-person meetings accessible to Deaf alcoholics. You DO NOT need to know sign language in order to help out! It's a great way to do service and get connected with other fellows.

If interested, see me after the meeting.

Meeting closed with The Responsibility Statement, which reads: I am responsible. When anyone, anywhere, reaches out for help, I want the hand of AA always to be there. And for that: I am responsible.
